Our Heart for membership Mission statement:

The heart of The Pine Hill Ranch equestrian center is its riding academy. A place for all riders, of any age and any skill, to continue their learning and growing in the equestrian lifestyle. We love to offer a membership into our program of teaching western and english discipline, horse care and behavior, and all the joys and benefits we receive from the world of horses. Paying great care to each individual student and their family is of the utmost priority to us as our members become part of our PHR family.

Membership includes:

Weekly lessons

- **Discounted pricing**
- Access to premier PHR events
