### **Break Out Sessions**

These will be small group sessions for your child to have a fun & educational filled time! These include rotating stations that include but are not limited to:

- Horse Colors & Crafts • Time to Ride! (Trails and/or lesson) • Farrier Demonstration • Barn Chores & Horse Care • Safety & Horse Sense • Tackling Tack • Educational Horse Games

### **FAQs | Things to Know**

We will provide snacks & drinks. Please provide a sack lunch your child will enjoy & can be eaten outside, on the go. If there are any dietary restrictions, please let us know.

We often have repeat Campers come for Day Camps all Summer long! We will be changing up the Break Out Sessions & Group Activities each week of the Summer so they will have plenty of variety!

We would love you to attend our Horse Show from 3:00-4:00pm with your Camper! This will take place in the indoor / covered Arena. Join your Camper in the bleachers. Sit back, cheer, & enjoy the show!

A safe & fun experience is our primary focus. Consider items your child may need to come pre-prepped with such as sunscreen & bug spray. Please label any bags, lunches, or medications they bring with their name.
